

(d) *Recommendations to customers.* In recommending to a customer the purchase, sale or exchange of a government security, a bank that is a government securities broker or dealer shall have reasonable grounds for believing that the recommendation is suitable for the customer upon the basis of the facts, if any, disclosed by the customer as to the customer's other security holdings and as to the customer's financial situation and needs.

(e) *Customer information.* Prior to the execution of a transaction recommended to a non-institutional customer, a bank that is a government securities broker or dealer shall make reasonable efforts to obtain information concerning:

- (1) The customer's financial status;
- (2) The customer's tax status;
- (3) The customer's investment objectives; and
- (4) Such other information used or considered to be reasonable by the bank in making recommendations to the customer.

#### Subpart D—Prompt Corrective Action

#### § 208.40 Authority, purpose, scope, other supervisory authority, and disclosure of capital categories.

(a) *Authority.* Subpart D of Regulation H (12 CFR part 208, Subpart D) is issued by the Board of Governors of the Federal Reserve System (Board) under section 38 (section 38) of the FDI Act as added by section 131 of the Federal Deposit Insurance Corporation Improvement Act of 1991 (Pub. L. 102-242, 105 Stat. 2236 (1991)) (12 U.S.C. 1831o).

(b) *Purpose and scope.* This subpart D defines the capital measures and capital levels that are used for determining the supervisory actions authorized under section 38 of the FDI Act. (Section 38 of the FDI Act establishes a framework of supervisory actions for insured depository institutions that are not adequately capitalized.) This subpart also establishes procedures for submission and review of capital restoration plans and for issuance and review of directives and orders pursuant

to section 38. Certain of the provisions of this subpart apply to officers, directors, and employees of state member banks. Other provisions apply to any company that controls a member bank and to the affiliates of the member bank.

(c) *Other supervisory authority.* Neither section 38 nor this subpart in any way limits the authority of the Board under any other provision of law to take supervisory actions to address unsafe or unsound practices or conditions, deficient capital levels, violations of law, or other practices. Action under section 38 of the FDI Act and this subpart may be taken independently of, in conjunction with, or in addition to any other enforcement action available to the Board, including issuance of cease and desist orders, capital directives, approval or denial of applications or notices, assessment of civil money penalties, or any other actions authorized by law.

(d) *Disclosure of capital categories.* The assignment of a bank under this subpart within a particular capital category is for purposes of implementing and applying the provisions of section 38. Unless permitted by the Board or otherwise required by law, no bank may state in any advertisement or promotional material its capital category under this subpart or that the Board or any other Federal banking agency has assigned the bank to a particular capital category.

#### § 208.41 Definitions for purposes of this subpart.

For purposes of this subpart, except as modified in this section or unless the context otherwise requires, the terms used have the same meanings as set forth in section 38 and section 3 of the FDI Act.

(a) *Control*—(1) *Control* has the same meaning assigned to it in section 2 of the Bank Holding Company Act (12 U.S.C. 1841), and the term *controlled* shall be construed consistently with the term *control*.

(2) *Exclusion for fiduciary ownership.* No insured depository institution or company controls another insured depository institution or company by virtue of its ownership or control of shares in a fiduciary capacity. Shares

shall not be deemed to have been acquired in a fiduciary capacity if the acquiring insured depository institution or company has sole discretionary authority to exercise voting rights with respect to the shares.

(3) *Exclusion for debts previously contracted.* No insured depository institution or company controls another insured depository institution or company by virtue of its ownership or control of shares acquired in securing or collecting a debt previously contracted in good faith, until two years after the date of acquisition. The two-year period may be extended at the discretion of the appropriate Federal banking agency for up to three one-year periods.

(b) *Controlling person* means any person having control of an insured depository institution and any company controlled by that person.

(c) *Leverage ratio* means the ratio of Tier 1 capital to average total consolidated assets, as calculated in accordance with the Board's Capital Adequacy Guidelines for State Member Banks: Tier 1 Leverage Measure (Appendix B to this part).

(d) *Management fee* means any payment of money or provision of any other thing of value to a company or individual for the provision of management services or advice to the bank, or related overhead expenses, including payments related to supervisory, executive, managerial, or policy making functions, other than compensation to an individual in the individual's capacity as an officer or employee of the bank.

(e) *Risk-weighted assets* means total weighted risk assets, as calculated in accordance with the Board's Capital Adequacy Guidelines for State Member Banks: Risk-Based Measure (Appendix A to this part).

(f) *Tangible equity* means the amount of core capital elements as defined in the Board's Capital Adequacy Guidelines for State Member Banks: Risk-Based Measure (Appendix A to this part), plus the amount of outstanding cumulative perpetual preferred stock (including related surplus), minus all intangible assets except mortgage servicing assets to the extent that the Board determines that mortgage serv-

icing assets may be included in calculating the bank's Tier 1 capital.

(g) *Tier 1 capital* means the amount of Tier 1 capital as defined in the Board's Capital Adequacy Guidelines for State Member Banks: Risk-Based Measure (Appendix A to this part).

(h) *Tier 1 risk-based capital ratio* means the ratio of Tier 1 capital to weighted risk assets, as calculated in accordance with the Board's Capital Adequacy Guidelines for State Member Banks: Risk-Based Measure (Appendix A to this part).

(i) *Total assets* means quarterly average total assets as reported in a bank's Report of Condition and Income (Call Report), minus intangible assets as provided in the definition of tangible equity. At its discretion the Federal Reserve may calculate total assets using a bank's period-end assets rather than quarterly average assets.

(j) *Total risk-based capital ratio* means the ratio of qualifying total capital to weighted risk assets, as calculated in accordance with the Board's Capital Adequacy Guidelines for State Member Banks: Risk-Based Measure (Appendix A to this part).

#### § 208.42 Notice of capital category.

(a) *Effective date of determination of capital category.* A member bank shall be deemed to be within a given capital category for purposes of section 38 of the FDI Act and this subpart as of the date the bank is notified of, or is deemed to have notice of, its capital category, pursuant to paragraph (b) of this section.

(b) *Notice of capital category.* A member bank shall be deemed to have been notified of its capital levels and its capital category as of the most recent date:

(1) A Report of Condition and Income (Call Report) is required to be filed with the Board;

(2) A final report of examination is delivered to the bank; or

(3) Written notice is provided by the Board to the bank of its capital category for purposes of section 38 of the FDI Act and this subpart or that the bank's capital category has changed as
